

Job Description

The Shop Technician is responsible for assisting the Shop Foreman in daily tasks such as cleaning, deliveries, pickups, loading, unloading, and ordering parts.

Responsibilities:

- Operate forklifts to load and unload trucks and trailers
- Perform light repairs and maintenance on company fleet
- Organize shop equipment, tools, and resources
- Order parts and supplies
- Deliver parts and supplies on an as needed basis to field
- Responsible for keeping clean and safe work area

Qualifications:

- General mechanical knowledge of vehicles, power tools, and equipment
- Valid Driver's License
- Ability to communicate effectively and work with a team
- Ability to lift 60 pounds
- Ability to work outdoors in inclement weather

This position is ideal for a hard working, reliable, and motivated individual willing to learn and advance in the industry. Ideally, we're looking for someone with 2+ years experience, but if you're lacking experience and willing to learn, we are more than happy to teach.

Full time hourly position (7:00-3:30 daily)

Competitive pay, starting at \$19.00, relative to experience.

Comprehensive benefits package including 401k, dental vision and health insurance, vacation and holiday pay.
